The open special meeting of the Saybrook Township Trustees to discuss Road Departments Equipment and Projects for year was called to order at 7:30 am by Chairperson Norman Jepson, along with Trustees Robert Brobst and Gloria Baum, Fiscal Officer Larry Johnson and Road Superintendent Marc Pope at the Saybrook Township Administrative offices 7247 Center Road, Saybrook Township, Ohio 44004.

Discussion was held regarding the following:

ROAD EQUIPMENT

Need to purchase a new truck equipped to plow and salt due to the breakdown and age of one of the current trucks. Road Superintendent Marc Pope to research best options and report back with a recommendation. The Township will use the "State Cooperative Purchasing Program" to achieve substantial savings. Estimated cost to be \$120,000 - \$140,000. Fiscal Officer Larry Johnson indicated that bank financing will be used and presented terms from two different financial institutions.

Purchase a new zero-turn lawn mower – quicker and more efficient. A new zero-turn would reduce man hours to cut grass. Trustees to talk to Saybrook Township Park Board about this possible acquisition.

Future equipment replacements reviewed.
